1	Very helpful and interesting. Would like more what does the dean do, day or week in the life, how to utilize other than meeting and establishing relationship	2/28/2024 6:33 AM
2	amazing and engaging presenter! i wish he spoke more in his journey to being a dean, as well ad what his day to day looked like	2/27/2024 10:13 PM
3	Helpful but do not think we need prereading on lcme standards	2/27/2024 7:03 AM
4	Might have been interesting if he had discussed his career course and also discussed what his different responsibilities were...not sure many people in the room really know what the dean actually does daily -- and some in the room (not myself) may have that on their career path (at least one of our cohort)	2/26/2024 9:04 PM

1	recommend 9a start D2 given time zone difference; recommend built-in time for 1:1 with ASL mentors rather than relying on free time in the evenings or during CAAM; recommend moving August mtg to coincide with CREOG summer retreat in Denver since GME leaders will otherwise miss either ASL or summer retreat	2/27/2024 11:14 AM
