#	COMMENTS FOR SESSION 5:	DATE
1	This was a great session- I would have liked to have gone even deeper or maybe had more time to share our personality types. Dr. Mylona is an excellent teacher- she is engaging and added some levity in what was a pretty intense 3 days.	1/15/2025 8:29 PM
2	Interesting and relevant session to learn about qualities of a leader and differentiate that from a manager.	1/15/2025 1:14 AM
3	this sessions would also work well with small group discussion by each table.	1/13/2025 1:15 PM
4	I appreciated learning the difference between leadership and mangagement and the thoughtful discussions that occurred in the session. I also really appreciated hearing everyone's written plaques (please keep doing this!)	1/12/2025 2:35 PM
5	Great content but would have been better if we stuck to the schedule	1/12/2025 12:57 AM
6	This was a fantastic session. Truly inspirational.	1/11/2025 9:53 PM
7	Loved it	1/11/2025 9:53 PM

#	COMMENTS FOR SESSION 6:	DATE
1	Another great session with Dr. Mylona. Even though it wasn't really discussed I liked the pre-reading article and think some pre-reading from William Uri or access to the book "Getting to Yes" would be great.	1/15/2025 8:29 PM
2	I wish we had more time to complete this session. Negotiation is definitely one of my weaknesses, so would have liked to hear the whole talk.	1/15/2025 1:14 AM
3	didn't find this necessary especially with crucial conversations later in the afternoon	1/13/2025 1:02 PM
4	I think that this was a very useful topic that I was excited to discuss. I did recognize the importance of preparation for negotiation, but I would like to have learned more about the process of negotiation, and felt that more active learning would be useful in this learning session. I appreciate Dr. Mylonas efforts in discussing basic tips, however, a few comments made about women in negotiations were off putting. I feel that her intent was to point out specific things without trying to make it a talk on women in negotiations, but in the process, I sometimes felt offended (I am not sure if it was tone or content). I know that it is true that women tend to not negotiate as well, but I think spending a thoughtful 5 or so minutes about this as oppose to randomly interspersed comments would have had a better impact.	1/12/2025 2:35 PM
5	Great content but would have been better if we stuck to the schedule	1/12/2025 12:57 AM
6	Great and engaging session with excellent interactivity	1/11/2025 10:41 PM

#	COMMENTS FOR SESSION 8:	DATE
1	Breaking up the chapters the way that Dr. Conway did so that there was an “expert” on each chapter in every group was a great idea and added some variety. This was another effective way at presenting this information efficiently.	1/15/2025 8:29 PM
2	Another very useful tool that I wish I had known about earlier. I enjoyed the learning activities and application through relevant cases.	1/15/2025 1:14 AM
3	great add. probably best session of the day	1/13/2025 1:02 PM
4	I enjoyed this session. I've read crucial conversations in the past, so I was familiar with the information. For me, I would have like to spend more time on practicing using the methods, but I know that others needed to learn more about the information first.	1/12/2025 2:35 PM
5	LOVED!	1/12/2025 12:57 AM
6	Really well done sessions by Dr. Conway, well paced and responded well to time pressures by jumping around a bit but hitting the key points	1/11/2025 10:41 PM
7	Wish we had more time for this session.	1/11/2025 9:53 PM
8	Make this session longer.. very helpful.	1/11/2025 9:53 PM

#	COMMENTS FOR SESSION 8:	DATE
1	Very useful session and advice provided. Engaging speaker	1/15/2025 1:14 AM
2	would have liked more time here. maybe use more time for this and cut negotiation	1/13/2025 1:02 PM
3	I think that starting this session with completing the professional network sheet, and then spending time discussing why professional networks are important would have been more useful/engaging than the powerpoint. It was hard to focus on a lecture at the end of the day.	1/12/2025 2:35 PM
4	This was very useful, but might have worked better as a large group discussion rather than a didactic. I think we all had a lot of questions, and immediately after we all started discussing how we could use ASL as an opportunity to network, so I think having it be a "working session" where the group can start that conversation would be really valuable.	1/11/2025 10:41 PM
